Fulfilling the Promise of Paris

Petersberg Climate Dialogue X

“Fulfilling the Promise of Paris”

Axica – convention and conference centre

Pariser Platz 3, 10117 Berlin

Monday, 13 May 2019

08:30 am

Opening of the dialogue

This session will be open to the media

Welcoming address and opening speeches by

Svenja Schulze, Federal Minister for the Environment, Nature Conservation and Nuclear Safety, Germany

Carolina Schmidt, Minister of the Environment, designated President of COP 25, Chile

09:00 am

Session 1: Expectations for COP 25

- What are necessary outcomes of a successful COP 25?
- What are your priorities for the negotiations on Article 6 issues?
- How can COP 25 continue and strengthen the momentum from the Climate Action Summit towards 2020? How can COP 25 represent a turning point towards implementation?

Input: Patricia Espinosa, Executive Secretary of the UN Framework Convention on Climate Change

Facilitator: Carolina Schmidt, Minister of the Environment, designated President of COP 25, Chile

Berlin, 13 – 14 May 2019

Petersberg Petersberger Climate Dialogue X Klimadialog X

Fulfilling the Promise of Paris

11:00 am

Session 2: Making progress on adaptation and resilience

- What steps should be considered in order to continue providing a balanced approach between adaptation and mitigation under the Paris Agreement?
- How can we collectively enhance progress towards the Global Goal on Adaptation?
- How can international cooperation successfully contribute to enhancing resilience and strengthening adaptation action on the ground?

Input: Dr. Maria Flachsbarth, Parliamentary State Secretary to the Federal Minister for Economic Cooperation and Development, Germany

Facilitator: Carolina Schmidt, Minister of the Environment, designated President of COP 25, Chile

02:00 pm

Session 3: Preparing for the Climate Action Summit

- How could the summit support you in your national context to implement and enhance climate action? Which outcomes would be necessary for such a positive impact on the national level?
- From now to the Summit, how can the political will to make bold announcements at the summit be mobilized in your country? How can political drivers (e.g. youth mobilization, international cooperation and support, private sector involvement) be strengthened?

Keynote: Luis Alfonso de Alba, Special Envoy for the 2019 Climate Action Summit

Facilitator: Svenja Schulze, Federal Minister for the Environment, Nature Conservation and Nuclear Safety, Germany

Berlin, 13 – 14 May 2019

Petersberg Petersberger Climate Dialogue X Klimadialog X

Fulfilling the Promise of Paris

04:30 pm

Session 4: Preparing for the new reporting provisions under the climate change regime

- What are necessary next steps in your country to implement the new reporting provisions?
- What benefits of improved transparency systems have you experienced in your national context?
- How can countries learn from each other in improving their national transparency systems? Which role can international cooperation and support play?

Facilitator: Svenja Schulze, Federal Minister for the Environment, Nature Conservation and Nuclear Safety, Germany

05:30 – 06:30 pm

Session 5: Financing and Implementing NDCs

- What are the main challenges that you face in implementing NDCs and how have you overcome challenges in your national context? What were factors for success?
- How can international cooperation support NDC-implementation more effectively?

Input: Carlos Manuel Rodríguez Echandi, Minister of Environment and Energy, Co-Chair of the NDC-Partnership, Costa Rica

Facilitator: Manuel Pulgar Vidal, Climate & Energy Global Practice Leader, WWF

Berlin, 13 – 14 May 2019

Fulfilling the Promise of Paris

Tuesday, 14 May 2019

09:00 am

Session 5 continued: Financing and Implementing NDCs

9:45 am

Short break

10:00 am

Political segment with keynote speakers

This session will be open to the media

Keynote speech by Carolina Schmidt,
Minister of the Environment, Republic of Chile

Keynote speech by Dr. Angela Merkel,
Chancellor of the Federal Republic of Germany

Discussion

11:15 am

Session 6: Improving and Updating NDCs

- How can NDCs be improved? What are key policies and actions that can lead to a drastic reduction of emissions by 2030?
- How can long-term strategies support the updating and implementation of NDCs?
- How do you envision the process of NDC-updating in your national context?

Input: Prof. Dr. Johan Rockström, Director of the Potsdam Institute for Climate Impact Research and Professor in Earth System Science at the University of Potsdam

Facilitator: Manuel Pulgar Vidal, Climate & Energy Global Practice Leader, WWF

12:45 pm

Conclusion of PCD X

Closing remarks by Svenja Schulze,
Federal Minister for the Environment, Nature Conservation and Nuclear Safety, Germany
